### The vine

Plot /climat La Garenne

**History** In the Middle Ages, "garenne" referred to a wooded area where hunting was reserved for a lord or a monastery. This climat is classified as Puligny-Montrachet 1er Cru for the white wines, and Blagny 1er Cru for the red wines.

**Soil** The soil is thin and stony, resting on a subsoil of limestone slabs.

**Our plot(s)** Altitude between 360 and 380 meters. Southeast exposure. The plot is located at the top of the slope, near the woods and the summit of the hill.

**Age of vines**

Planting date 1935 1992

Surface 9a65 12a50

### The wine

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

**Taste** Location and altitude give to the wine great liveliness, with aromas of white flowers, almond, and flint. Its structure, which harmoniously combines freshness and precision, reveals its full potential after a few years of aging.

**Serving temperature** 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.
