The wine

100% Chardonnay from handpicked grapes; vinified and raised in oak casks.

Taste Due to its altitude, the terroir of Les Tillets shares a gustatory resemblance with its neighbor Puligny-Montrachet. The wines feature elegant aromas based on minerality, with a taut, almost slender mouth, full of energy and distinction. Les Tillets climat refers to the linden tree, which the taster will be able to identify in the wine.

Serving temperature 12/14°C. It is recommended to decant recent vintages so as to enhance the aroma.
